

ADULT APPLICATION

This application is also available in Spanish. Esta solicitud también está disponible en español.

Your participation in the BSA can help youth become better citizens.

Adult leaders serve as important role models for youth in the BSA and this application aids the chartered organization in selecting qualified adult volunteer leaders.

Youth Protection Training

All adult applicants are required to take this training in order to complete the adult application process. Go to my.Scouting.org to create an account and take the training online or contact your local council for classroom training. Include a copy of your completion certificate with this application.

Mission

The mission of the BSA is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Scout Law.

Criminal Background Check*

In order to complete the adult application process, you will need to review the different disclosures that have been separately provided to you. The separate authorization form must be signed and returned when you submit your application.

Excerpt From the Declaration of Religious Principle

The BSA maintains that no member can grow into the best kind of citizen without recognizing an obligation to God and, therefore, recognizes the religious element in the training of the member, but it is absolutely nonsectarian in its attitude toward that religious training. Its policy is that the home and organization or group with which the member is connected shall give definite attention to religious life. Only persons willing to subscribe to these precepts from the Declaration of Religious Principle and the Bylaws of the BSA shall be entitled to register.

**The three different background check forms must be torn off and each separately given to the applicant.*

Training for New Leaders

The BSA is committed to your success as a volunteer while serving young people. To help you be successful there are training materials designed for you. Training resources are available through your local council and at my.Scouting.org.

What Makes a Trained Leader?

You are considered a trained leader when you have completed leader position-specific training for your position and have current Youth Protection training.

Youth Protection Begins With You™

Child abuse is a serious problem in our society, and unfortunately, it can occur anywhere, even in Scouting. For that reason, the BSA continues to create barriers to abuse beyond what have previously existed in Scouting.

The BSA is committed to providing a safe environment for young people. All adult leaders must complete Youth Protection training as part of the registration process and renew their training as required. It is highly recommended that parents who participate in Scouting activities complete YPT. To learn more about the BSA's Youth Protection resources, go to www.scouting.org/training/youth-protection/.

Mandatory Reporting

All persons involved in Scouting must immediately report to local authorities any good-faith suspicion or belief that any child is or has been physically or sexually abused; physically or emotionally neglected; exposed to any form of violence or threat; or exposed to any form of sexual exploitation including the possession, manufacture, or distribution of child pornography, online solicitation, enticement, or showing of obscene material. No person may abdicate this reporting responsibility to any other person.

Additionally, any **known or suspected abuse or behavior that might put a youth at risk** must also be reported to the local Scout executive or the Scouts First Helpline (1-844-SCOUTS1 or 1-844-726-8871) if your Scout executive or local council cannot be reached.

Youth Protection Policies

- Two registered adult leaders 21 years of age or over are required at all Scouting activities, including meetings. There must be a registered female adult leader over 21 in every unit serving females. A registered female adult leader over 21 must be present for any activity involving female youth.
- One-on-one contact between adult leaders and youth members is prohibited both inside and outside of Scouting.

These and other key Youth Protection policies are addressed in the training and at www.scouting.org/training/youth-protection/.

To learn about the BSA's other health and safety policies, please review the online version of the *Guide to Safe Scouting*, the Scouter Code of Conduct, and the Sweet Sixteen of BSA Safety, which are available at www.scouting.org/health-and-safety.

Scout Oath

On my honor I will do my best to do my duty to God and my country and to obey the Scout Law; to help other people at all times; to keep myself physically strong, mentally awake, and morally straight.
