

Virtual Meetings and Cybersecurity for Scouts

For Scouts

1. **Do not misbehave.** Remember, the scout leader or MB teacher has the authority to ask you to leave the classroom if you misbehave. What constitutes misbehavior? Cyber bullying, being disruptive, not respecting others including your peers, and chatting inappropriately are all intolerable.
2. **Be mindful and thoughtful.** Your online actions are permanent and we can trace you! “Zoom-chats are only for discussing material being taught. Remember, if you've published something in the chat window or online it, it's traceable. When you post things online, you're creating your cyber-fingerprint. Everything is traceable. It doesn't matter whether or not you delete the message or text. It is permanent and we can trace you!”
3. Anything short of learning the subject and being mindful of your actions will be unacceptable. Online classes are a privilege. There are several folks spending countless hours to bring these classes to your desk. Please respect these resources.
4. **Do not be disruptive.** Mute your microphone when you are not speaking.
5. When connecting using **Zoom**, **please use a plain background!** No virtual backgrounds.
6. **Use your camera** so that we can see you.
7. **Do not share links** with anyone. Practice Cybersafety.
8. When emailing scout leaders or other adults, always include a copy to your scout leader or parent.
9. Renew your [Cyber Chip](#) annually, but more importantly, practice what you have learned.

1. Cyber Chip Requirements

- [Grades 1-3](#)
- [Grades 4-5](#)
- [Grades 6-8](#)
- [Grades 9-12](#)
